Privacy Policy

ECAM takes the privacy and protection of data and information seriously, and are committed to handling the personal information of all those we engage with, whether organisations, customers, buyers, suppliers, colleagues or any other community, responsibly and in a way that meets the requirements of the services in which we operate in.

This privacy policy (the "Privacy Policy") sets out ECAM's approach to safeguarding and maintaining the privacy of that personal information, and explains what purpose the data is collected, how it will be used for and the rights individuals have over that data.
